to price. Do this by making a sales web page for the new ebook, however do not embody a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with different prices on every page. Make certain your sales copy is exactly the identical on each page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum price is.
