An effective approach for determining a worth is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the brand new e book, however don't include a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate

sales pages with different prices on every page. Ensure your gross sales copy is strictly the identical on every page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum value is.
