Do that by making a sales page for the brand new e book, however don't embody a price on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Make certain your gross sales copy is strictly the same on every web page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.
