Be sure your gross sales copy is exactly the identical on every web page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum worth is.

Ultimately, if you've written a e book that solves a problem or presents a new technique, your guide will herald both site visitors and profits. So make sure to write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your *Sitemap Z* e-book can be to the purchasers who buy it.
